

GOING DEEPER

Easter to Pentecost 2018

Dear Church family member,

From the first Easter to Pentecost, the first followers of Jesus met together deep in prayer. 2000 years later in that same period we are going to be focusing on our own relationship with God. To do that we are running a series of courses for the whole church family.

Instead of Study Groups meeting as normal, I would love for as many of us as possible to come together and grow together. We can deepen our own relationship with God and one another as well as giving our study group leaders a well-earned break from leading.

We are all at a different point in our journeys with Jesus and so each of us can choose from one of three courses. The details are on the reverse.

I look forward to seeing you there.

*Yours in Jesus' service,
Nick*

Discipleship Explored

“Following Christ: What’s it all about?”

This course helps us to think about what it really means to live the Christian life, by exploring Paul’s letter to the Philippians and its call to live wholeheartedly for Christ.

Group members will discover what it means to follow Christ today, and be encouraged to walk confidently in His footsteps.

Radical

“What’s radical about following Jesus?”

When Jesus called His disciples, they left everything and followed Him. Jesus is calling us out of comfortable Christianity to take up our cross and follow Him.

We will be challenged to embrace Jesus as our richest treasure; to feed the poor, reach the lost and live for the glory of God.
