

It is a privilege to serve you through this exciting season of life.

We would like to be able to contact you afterwards. If you would like us to do that please tick the boxes appropriate to you:

- I am happy for the Vicar and church office to keep a record of the wedding on file. This is in addition to the legal wedding register and would include details of the service including hymns and readings.
- Please let me know about other events that would benefit our marriage, e.g. marriage courses or Alpha course.
- Please let me know about other services and events at Holy Trinity e.g. Lights Switch On, Christmas Carol Services and Easter Services.
- Please add me to your email list.

I am happy to be contacted by...
