

What noise does  
a contented cat  
make?

Second half of the first word.  
What are the other names for a  
cat? Second half of the name of  
a purple and white cat from a  
TV show in the 70s and 80s!

2

It's a number!  
What is it?

What might this  
person be in?

2

---

What names do we give to those who help? Might want to find last word to give clue to this one.

---

It's a number!  
What is it?

---

Top picture - what is the person doing?

---

Bottom picture - second half of word. Used to help boats go.

# R

It's a letter!  
What is it?

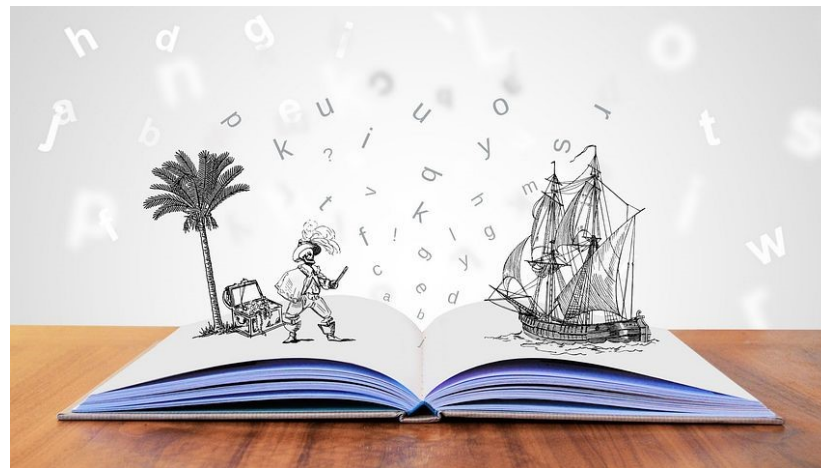

What type of fish is it?

It actually says in the picture!

Whose foot is it?

What is told in a book?
