

Sunday 31st May—Family Resource Sheet

Passage: Ezekiel 37:1—14

Theme: The Spirit's power to give new life

Before service:

- As parents, read the passage—you may want to talk about some of it before the service.

During service:

- Write down anything that is strange or unusual from the Bible readings. See if the reasons behind these strange things are in the talks.
- Make a moving skeleton (see separate sheet) and write on back what we have learnt. *Paper fasteners will be helpful!*

After service:

- Discuss what has struck each of you most about the Holy Spirit from today's passages.
- Think of how your lives in the week ahead will change because of what you have heard.
- Think of someone who might need to be reminded or told of the power of the Holy Spirit and how you might do that this week.

During week:

- Remind or tell the person you thought of above about the power of the Holy Spirit.
- Make a red velvet cake. Talk about how this reminds of Pentecost and what was going on.
