

**Having resurrection
joy in a painful world**

**How to love when things
are scary – crave the
Lord and his ways**

**Believers have a new
life and a new purpose
as part of God's
building project**

**Being children of
the father – to
belong changes
behaviour**

**Live such good lives so
that others say, "Wow
God is amazing!"**

**Joy in grief – savour our
saviour and know our place
in HIS-story**
