

# Holy Trinity Old Hill, Sunday Services, January - Easter 2024

v. 1.0 16th Dec 2024

**The monsters we face and the songs we sing:** In January we explore four psalms that provide words to sing when faced with some of the monsters of life.  
**Good news:** We then dive into the deep book of Romans unpacking the good news of the gospel and how it makes sense of our world.  
 Our morning services are live-streamed on our youtube channel [hollytrinity.tv](https://www.youtube.com/channel/holytrinity.tv).

**The Gospel of John** The evening service begins an ambitious journey through the entirety of John's gospel, beginning on New Year's Eve and ending the Sunday after Easter, taking us from before time "In the beginning was the Word" to the resurrected Jesus commissioning Peter to "take care of my sheep." Come and journey with Jesus through John's eyes.  
 The evening service meets in the church centre. **Refreshments are served from 5:45pm.**
